Hi Julie.

It was great to meet you today and we all are grateful that there are people like you to help the residents during their time of need.

Attached are four EPA fact sheets. I wasn't sure which fact sheet your specifically asked for, and we have several other ones on a variety of post-flood related topics. If you have a need for specific info, please don't hesitate to reach out to me. Feel free to print and share with others.

Thank you.

-Joan
